BISFed Member Flags

1. Introduction

This booklet has been designed to help host organising committees ensure the relevant flags are displayed on venue and during medal presentations. Should you have any concerns or queries regarding the information in this document please contact admin@bisfed.com.

1.1. Sizing and Dimensions

All flags should be the same 2:3 or 3:5 ratio. This includes the BISFed flag.

2. BISFed Flag

The two main colours of the BISFed logo are Pantone 301 and Pantone 185. The outside balls of the logo are transparencies of 50% and 20%. Alternative logo colourways are available but the flag should only ever use the full colour logo. Download the 'BISFed Brand Guidelines' document for further information.
