ABOUT US

Boccas is a portuguese company founded in 2002, with the purpose of promoting and developing the practice of Boccia, throughout the world and at a national level as well.

We are always striving to improve Boccia products, so that we can increase the performance and satisfaction of all athletes.

With this goal in mind, we presented our first Boccia set of Boccas balls, the Boccas Hard Póvoa 2002, at the Boccia World Open 2002 event in Póvoa de Varzim, Portugal. This set was a huge success in the competition, amongs several teams and players, as a direct result, we started selling our sets all over the world.
