## ACCREDITATION

Accreditation cards will be provided to all athletes and officials for the Event which must be always worn to enable access to the venue and classification clinic.

## WHEELCHAIR REPAIR

A wheelchair repair service will NOT be available at the Event. If required, LOC will assist in providing such services and fees will be covered by the teams directly to the vendor.

## ANTI-DOPING CONTROL

As a BISFed sanctioned event, anti-doping control will take place during the competition.

## MEDICAL SERVICES

Appropriate first-aid services will be provided during the Event. If required, fast access to emergency ambulance services will be provided. A 24/7 clinic will be available and located in one of the hotels.

## BISFed Covid-19 protocol

We are pleased to share with you the [BISFed COVID-19 Return to Competition Protocol 4.0](#), revised in August 2022. This protocol will come into effect at our next competition - the Bahrain 2022 World Boccia Cup. Please read the document carefully. You will find changes in blue.

## COVID PROTOCOL

Public Awareness  
Campaign  
to Combat  
Coronavirus  
(COVID-19)

Participants and delegations must follow the precautionary measures, visit: <https://www.moh.gov.bh/COVID19/>

Rapid tests are advised for those who will experience symptoms of COVID 19 and if positive to do confirmatory PCR testing in one of the drive-thru stations. Kindly contact your assigned LOC team manager for instructions on where to buy rapid tests if required.

Positive patients will be isolated for 7 days in a private room in their residency at their cost.

According to the new protocol, positive patients who become asymptomatic requires to end the isolation status should take a rapid test and be tested negative. In such a case, the following confirmatory PCR testing in a private clinic should be taken to confirm the status and end the isolation.

**For departure**, if the guest's destination country requires PCR test there will be a private clinic at the hotel (or we will arrange transportation to a private clinic) that will do the PCR testing for the participants and delegations, note that the PCR test cost must be covered by the participant/delegation.

It is essential that each person download the below before departure on their personal mobile device, as this mobile application has all updates about COVID-19 countermeasures and test results and if the delegations need the PCR test printed, they need to their country manager.
